

## Overview

Sunday, 24 February 2008

Impeccably designed, the spacious comfort, personalized services and extensive facilities, provided at Puri Darmo Serviced Residence offers you an opportunity to relax and enjoy your business travel, leisure vacation or relocation in Surabaya. The residence is designed for the international executive and family, with business and recreational facilities as well as educational facilities. Spacious and stylishly decorated, each apartment offers comfortable living as well as modern amenities. Ideal corporate housing for long or short-term project assignment in Indonesia, the residence offers a welcome and refreshing alternative to the hotel or private apartment. Discover the treasures of Surabaya while living in the security and comfort of a private serviced apartment.

**Choice of Serviced Residence** There are a range of 65 spacious, fully-furnished apartments, designed for the individual and family. With a variety of one, two and three-bedroom layouts, you have a choice of accommodations that will suit your individual needs, whether on business travel, vacation, extended stay or relocation.

**Ideal Location** The residence is located in the popular and beautiful satellite town of Darmo. A variety of restaurants, business organizations, banks, shopping malls, entertainment and international schools are provided in the Darmo commercial area. The Central Business District of Surabaya (Jalan Basuki Rachmat) is a short drive away and access to other regions of the city is easy with the major toll roads and highway nearby.
